MEMBERSHIP & CONSENT FORM FOR CARDINHAM SCHOOL PUPILS

Cardinham Sports Club aims to promote sports amongst all age groups in the community, and is pleased to support Cardinham School in its promotion of tennis. Through its affiliate membership of Cardinham Sports Club, the School can use the tennis court to provide all pupils tennis classes, coaching and related activities both during school hours and after school. **This arrangement also provides discounted membership (just £5 a year) to any pupil who would like to play at other times.** Note that all children below the age of 13 MUST be supervised at all times by a trusted adult (see below). Membership under this scheme is for a year, from 1 September to 31 August the following year.

The Club is affiliated to the **Lawn Tennis Association**, and through them we have third party public liability insurance. This covers members in the event an accident is caused to third parties – for example, if an errant ball causes an accident on the nearby road. However, **play is at your own risk**. That is to say, if a player incurs an injury during the course of a game of tennis, and this is not through negligence of the Club, then there is no insurance cover for this. Players are advised to consider getting their own insurance to cover for such events.
